THOMIYAMA Forest Park

MAP-B6

The height of THOMIYAMA is 308m, and the panoramic view from the observatory located at the top of the mountain is quite impressive. If you are lucky, you might be able to see SHIKOKU.

Enjoy the ceiling paintings

MAP-C1

There are about 100 ceiling paintings at SHOREN temple. These paintings are realistic depictions of plants and flowers and were painted by NANPO OKABE, who was a GOYO-ESHI, an official painter from NOBEOKA.

Matchmaking God

MAP-B1

There is a story that once a young man and a young woman passed by each other on the narrow approach to the shrine, and then they fell in love. With this story, NAKAYAMA shrine becomes famous for housing a matchmaking God.

An idea for a short break

MAP-B3

Feel like taking a long look at the sea? Then we suggest you to go to SHUNSEN KURA which has a wide terrace facing the sea. Go and relax at the terrace with the tasty foods from the shop. KAKIGORI, a Japanese shaved ice dessert, is also available.

Wall paintings with lots of love

MAP-B5

The length of the wall paintings, with images of nature, and the culture of KADOGAWA, painted by elementary students from the town, is about 1300m. Our town as seen by the elementary students is very interesting.
